

Using the 4ft x 3ft Science Poster Template

Option #1

- Top blue bar to be kept as-is, unless title is too long to fit. Extend accordingly, if necessary.
- Header font - project name:
Arial Bold, 73 pt, white
- Subhead - student names:
Arial Bold Italic, 42 pt, white
- Subhead - department:
Arial Bold, 42 pt, white
- Do not move or alter white dividing line.
- Do not alter logo. If blue bar is extended, you may center bar and logo accordingly.
- Use space between bars to insert project information. Use Arial font whenever possible.

Option #2

- Top blue bar to be kept as-is, unless title is too long to fit. Extend accordingly, if necessary.
- Do not alter or overlap blue bar at bottom.
- Header font - project name:
Arial Bold, 73 pt, white, centered
- Subhead - student names:
Arial Bold Italic, 42 pt, white, centered
- Subhead - department:
Arial Bold, 42 pt, white, centered
- Do not alter logo.
- Use space between bars to insert project information. Use Arial font whenever possible.
