Protocols for Breakrooms and Kitchenettes

Face Coverings
Wear a face covering.
Remove them only to eat or drink, while maintaining 6-foot distance.

Reduce Room Occupancy
Stagger break/lunch schedules when practical.
Take breaks outside or in your private office, if possible.
Maintain 6-foot distance from others when eating or drinking.

Room Use
Use room only for these essential functions:
• Microwave
• Refrigerator
• Water
• Other ________________________________
Staff should not linger or socialize in this room.
Keep eating or drinking time to a minimum.

Cleaning and Hand Hygiene
Regularly clean frequently touched surfaces and items.
Wash hands after touching surfaces and before eating or drinking.
